

Artist's Statement

Jennifer has painted all of her life, mostly in watercolour and acrylic. She finds her muse in the colours, textures and shapes in our world. There is beauty and inspiration everywhere, if we just look for it.

Jennifer LaBella is a Winnipeg watercolor and acrylic painting artist, and author/illustrator of two children's picture books: *A Polar Bear Night of Stars and Light*, and *Good Night, Little Zebra*.

As an artist, she specializes in animals; including African animals, polar bears and horses, as well as landscapes. Jennifer enjoys spending her free time looking after and riding her horse.
