

2020 Artist Statement:

Norma Jones, Mixed Media Painter: I enjoy experimenting with mainly acrylic paint but also other media. Most often, the end result is a natural landscape. The colour that highlights my work is yellow, representing both the joy I experience in the process of painting and my overall optimistic nature.

Norma Jones, a Winnipeg artist, has exhibited her art at Cre8ery Gallery & Studio in the 99 Pieces Exhibits and the Auxiliary Gallery. She has sold seven mixed media works. She is an amateur artist who focuses mainly on painting with acrylics. She is an active, exhibiting artist and member at Cre8ery Gallery & Studio.
